

More false friends

actually	in reality, really	The President is the leader of the government, but who is actually in charge?
	exclamation of surprise	George Clooney is actually here right now!
	disagree in a polite way	If someone invites you to a fish restaurant, you can reply: "Actually, I don't like fish very much."
casual	informal	Party! Friday at 9 p.m. John's house. Dress casual
	superficial or not serious	casual inspection, casual friend
	temporary or sporadic	casual workers, casual photographer
sensitive	easily upset or irritated	She's very sensitive about that issue so watch what you say.
	able to understand other people's feelings, compassionate	My father is very sensitive and always knows when I've got a problem.
	psychic, clairvoyant	She went to see a sensitive about her problem but only managed to spend a lot of money.
sensible	having common sense	Be sensible! You can't go out without an umbrella when it's raining cats and dogs!
discussion	peaceful verbal examination of an issue	The discussion I had with John really made everything much clearer.
